

**‘Quick Quote & Buy Online’ – Getting the insurance you need is just a click away!**

As healthcare costs continue to rise and some services are not covered under government plans, more and more responsibility is placed on you, as an individual, to pay for these costs.

Carrying such healthcare costs could lead to a more stressful financial burden on you, particularly if due to unexpected circumstances. Fortunately we can provide you and your family the type of coverage to help you deal with these situations. We have made it even easier for you to obtain this coverage.

Our web site now offers a ‘Quick Quote & Buy Online’ feature that will allow you to get a quote or submit an application online for a Manulife Financial **health and dental, travel or critical illness plan.**

Applying online through our web site is a quick and efficient way for you to get the specific coverage you and your family simply shouldn’t be without. If you prefer, we are available to meet with you to discuss your needs. The choice is yours.

If you are going through a career or lifestyle transition, planning a trip or looking for additional protection for yourself and your family, we invite you to consider one of the Manulife Financial plans we offer.

If DCM Consulting Ltd. is to provide you with a complete package of Health & Dental and “Stand Alone” Catastrophic Coverage please visit our website at [www.estateneeds.com](http://www.estateneeds.com) and select “Stop Loss” under “Our products and Services”.

When completing the application select “Stand Alone” as your plan and “Catastrophic” with a \$4500 dollar deductible to complete the quote.

If you have any questions about the ‘Quick Quote & Buy Online’ feature or if you need any other information or assistance, please contact our office. We would be happy to help.
